WEEKLY NEWS BRIEFING

FRIDAY, MARCH 6, 2015

HISTORIC PRESERVATION COMMISSION - TUESDAY, MARCH 3

At the March 3rd Historic Preservation Commission meeting, members approved the annual report for the Commission for the period of January 1, 2014 through December 31, 2014. During the year the Commission met 12 times and recommended two applications for landmark certification – 470 Vernon Ave & 1027 Meadow Rd, both of which were approved by the Village Board, and also advocated for 110 Maple Hill Rd to be added to the National Register of Historic Places. Along with preservation achievements was the loss of four significant structures in 2014, including the homes at 135 Maple Hill Rd, 609 Sheridan Rd, & 745 Greenwood Ave and the Woman's Library Club at 325 Tudor Ct.

The Commission was also active in its continued effort to enrich the Village's Historic Architectural Survey through additional research and education. Plans to promote the survey with a printed brochure and via the Village's website were initiated in 2014 and will be completed in 2015. With the support of the Commission, Ravine Bluffs Entrance Monument 2 was fully restored in 2014 and punch list items from the previous year were addressed for Monument 1. Members of the Historic Preservation Commission look forward to the year ahead, which will mark a milestone anniversary of 25 years of service to the community on December 13th.

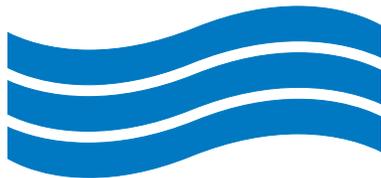

ARBOR DAY FOUNDATION NAMES GLENCOE TREE CITY USA FOR 31st YEAR

The Village of Glencoe was named a 2014 Tree City USA by the Arbor Day Foundation in honor of its commitment to effective urban forest management. This marks Glencoe's 31st year receiving the recognition. Glencoe achieved Tree City USA recognition by meeting the program's four requirements: a tree board or department, a tree-care ordinance, an annual community forestry budget of at least \$2 per capita and an Arbor Day observance and proclamation.

Arbor Day Foundation is a million member nonprofit conservation and education organization with the mission to inspire people to plant, nurture and celebrate trees.

ORAL CANCER SCREENING EVENT AT EVANSTON HOSPITAL

NorthShore Health System will be offering a free Oral Cancer Screening on Sunday, April 12, 2015 from 9 to 11 am at Evanston Hospital's Kellogg Cancer Center. Screenings will be offered by appointment. More information on this important community outreach initiative is attached.

NorthShore University HealthSystem is offering a

Free Oral Cancer Screening

to general public and NorthShore employees

Did you know, if you smoke, use chewing tobacco, drink alcohol or have risk factors for oral HPV infection, you could be at risk for oral cancer?

Make an appointment for a free oral cancer screening at NorthShore Evanston Hospital. Screenings are available by appointment only, so register today.

Date: Sunday April 12, 2015
Time: 9:00 - 11:00 a.m.
Location: NorthShore Evanston Hospital
Kellogg Cancer Center
2650 Ridge Avenue, ground level
Evanston, IL 60201

What does the free screening include:

- a visual exam of the neck, mouth and throat
- a physical exam of the salivary glands, lymph nodes of the neck and the thyroid gland

This screening is not appropriate for individuals previously diagnosed or currently under treatment for head and neck cancer.

Risk Factors for head and neck cancers include:

- tobacco and marijuana smoking
- chewing tobacco use
- alcohol use

Signs and symptoms for head and neck cancers include:

- a mouth sore that does not heal or increases in size
- lumps or patches inside the mouth
- thickening of the cheek
- persistent sore throat or difficulty swallowing
- persistent pain in one ear

**Register for an oral screening online at
northshore.org/calendar or call
(847) 570-5020.**

Please arrive no sooner than 15 minutes prior to your scheduled appointment to fill out registration documents and to sign a consent form.
