

AUTHORIZATION AGREEMENT FOR PRE-AUTHORIZED PAYMENT OF UTILITY BILLS

Dear Resident:

We are pleased to introduce the Village's new automated utility bill payment program.

The automated bill payment program is designed to allow you to pay your utility bill (water, sewer, rubbish, recycling, SWANCC) through your banking institution. Several benefits of the program are:

- The elimination of the preparation of a check;
- No need for postage or drop off of payment;
- Utility bill will be paid on due date, no chance of late charges.

This is how the program works. Following is an authorization form that allows your banking institution to transfer the amount of your utility bill to the Village **on the normal due date**. You will still receive a copy of your utility bill as a statement, but it is for record keeping purposes only.

Should you desire to participate in this program, please complete the authorization agreement below and return the form to the Department of Finance. **Please provide a void check (not deposit slips).**
