# WEEKLY NEWS BRIEFING

## FRIDAY, JUNE 10, 2016

### DUNDEE ROAD DETOUR UPDATE

Dundee Road is closed to all through traffic from Forestway Drive to Bluff Road for the installation of a new storm sewer. Please follow the posted detour route if travel takes you east- or west-bound on Dundee Road. East-bound traffic is detoured from Hohlfelder Road to Westley Road and then to Green Bay Road; west-bound traffic is detoured from Green Bay Road to Westley Road and then to Hohlfelder Road. To view a map highlighting the detour route, click [here](#). The work is expected to last for approximately two weeks and the Village urges motorists and pedestrians to use alternate routes. It is anticipated that the detour will end by Monday, June 20. This detour allows crews to complete the final segment of storm water improvements in the Skokie Ridge area. These storm sewer improvements were part of the projects approved by Village residents via referendum in April 2015.

Please remember to follow the posted speed limits and watch for construction workers when traveling by the construction area. For more information, please contact the Public Works Department at (847) 835-4111. Regular updates on this work and other construction projects can be found on the Village's website at [www.villageofglencoe.org](http://www.villageofglencoe.org) and by signing up for [Glencoe Connect](#).

**GLENCOE FRENCH MARKET**

### GLENCOE FRENCH MARKET OPENS THIS WEEKEND

Join the entire Glencoe community for the inaugural weekend of the **Glencoe French Market!**

Sponsored by the Glencoe Chamber of Commerce, in cooperation with the Village of Glencoe and the Glencoe Park District, the market will take place on Wyman Green beginning on Saturday, June 11 from 8:00 a.m. to 1:00 p.m. and will run every Saturday morning through September 3. Vendors will feature produce, meats, eggs, cheeses and an assortment of artisan goods. Enjoy live music in a beautiful setting in Downtown Glencoe!

For more information, please visit [www.bensidounusa.com](http://www.bensidounusa.com). We look forward to seeing you there!

## MOVIES ON THE GREEN 2016

Mark your calendars! This year's Movies on the Green is going retro featuring *Ferris Bueller's Day Off*, *The Goonies* and *Back to the Future*. Be sure to grab your chairs, blankets and snacks and head to Wyman Green (between Village Hall and the Glencoe Library on Village Court) at dusk on the following dates:

- Friday, June 10: *Ferris Bueller's Day Off*
- Friday, July 8: *The Goonies*
- Friday, August 12: *Back to the Future*

## NEW GREEN BAY TRAIL WATER FOUNTAIN

As a private donation in honor of the Friends of the Green Bay Trail, a new water fountain has been installed on the trail near Woodlawn Avenue. The new fountain includes a feature for filling water bottles and a water bowl for pets. The new fountain is a great amenity to this section of the trail!

## 2016 VEHICLE LICENSE STICKER REMINDER

All vehicles registered in the Village of Glencoe is required to have a Village sticker. Village Ordinance requires that the sticker be displayed and property affixed to the passenger-side windshield by May 1. In March, a pre-printed annual vehicle license application form was mailed to residents. Residents who have not yet purchased vehicle stickers are urged to submit the license application to receive 2016 vehicle stickers. If a resident's vehicle information has not changed, vehicle sticker payment can be made online at [www.villageofglencoe.org](http://www.villageofglencoe.org). Residents whose vehicle information has changed must return the updated application to the Village with payment by mail or in person at Village Hall. If a resident no longer owns a vehicle previously licensed in the Village, the resident must provide proof that he or she no longer owns the vehicle.

If a valid sticker is not displayed in the vehicle's passenger-side windshield, the vehicle owner may be subject to a late payment penalty and a citation from the Public Safety Department. The Public Safety Department is conducting vehicle sticker enforcement.

If you have questions, please contact the Finance Department at (847) 835-4113.

## CONSTRUCTION PROJECTS UPDATE

Look for regular construction updates to be posted in our weekly news briefings, as well as on the [Village's website](#). Residents in project areas can also sign up for [Glencoe Connect](#) to receive alerts via e-mail and text message.

### Skokie Ridge Storm Basin Improvements

New storm sewer has been installed north of Dundee Road and Sunset Lane, between Oak Ridge Drive and Elm Ridge Drive, which includes Bluff Road, Sunset Lane and Eastwood Road. The final segment of work is underway on Dundee Road between Forest Way Drive and Bluff Road. **Traffic will be detoured from Forest Way Drive to Westley Road and then to Green Bay Road.**

The work is expected to be completed the week of June 20, weather permitting. These storm sewer improvements were part of the projects approved by Village residents via referendum in April 2015.

#### Terrace Court Storm Basin Improvements

All work has been completed in the Terrace Court basin area. This work included installing a storm water separation structure where the storm sewer systems are discharging under the Union Pacific railroad. This storm water separation structure has multiple chambers that filters debris and small trash from storm water flow and is considered a best management practice for storm water discharge.

#### MWRD Repairs on Old Green Bay Road

The Metropolitan Water Reclamation District (MWRD) is working to repair the collapse on its sewer manhole on Old Green Bay Road. Crews have completed drilling operations and are constructing the new manhole structure. The project is expected to be complete in early July.

As a reminder, Old Green Bay Road remains closed to through traffic from Park Avenue to Maple Hill Road. Lincoln Drive, Crescent Drive and Walden Drive will remain open and accessible from Old Green Bay Road to the north and south of the project area. Pedestrian and bicycle traffic can also safely pass the construction area by accessing the sidewalk just east of the roadway between Lincoln Avenue and Walden Avenue. Click [here](#) to view the project map.

#### Sheridan Road Maintenance Resurfacing

IDOT is continuing to work on its Sheridan Road resurfacing project. The remaining work in the Village includes the final restoration of the right-of-way north of Aspen Lane and is expected to be completed by the end of June. Pavement markings and signage for the new bicycle lane has been completed.

#### Green Bay Road Median Work at Tudor Court

The construction of a new pedestrian crossing that will connect the Village train station parking lot and the west side of Green Bay Road (just north of Tudor Court) is nearly complete. This important improvement will allow pedestrians to safely cross Green Bay Road and provides a safe access point for patrons of Writers Theatre and other downtown businesses who park in the train station lots. Final pavement markings are expected to be complete the week of June 13. Please use caution and reduce your speed while traveling through the construction zone. Drivers are reminded that the Rules of the Road in Illinois require cars to stop for pedestrians in a designated crosswalk. Thank you for your patience during this project.

*Traffic control is posted in each area restricting vehicular traffic to local traffic only during the daytime. Remember to please be cautious whether walking, biking or driving in a work zone!*

#### **CALL FOR VOLUNTEERS - VILLAGE SESQUICENTENNIAL COMMITTEE**

In 2019, the Village will celebrate its 150<sup>th</sup> anniversary of incorporation. To commemorate this milestone, the Village will establish a Sesquicentennial Committee early this summer that will plan an anniversary celebration. In order to establish this committee, the Village needs your help. If you are a resident and would like to serve on the Sesquicentennial Committee or if you would like more information about the Committee and how to get involved in the process, contact the Village Manager's Office at 847-835-4114 or by email at [info@villageofglencoe.org](mailto:info@villageofglencoe.org).

**DID YOU MISS THE DOWNTOWN TUNEUP OPEN HOUSES?**

Plan to stop in to the Village Board meeting at 7:00 p.m. on June 16 to hear an update from Plan Commission Chairman Caren Thomas on the Downtown TuneUp planning process, including the recent Open Houses held on May 21st and May 25th. If you missed the Open Houses, you can still review the displays and display stations that were a part of those events. A summary and photos from the Open Houses are included on the project website at

[www.glencoetuneup.com](http://www.glencoetuneup.com).

## VILLAGE OF GLENCOE MEETING BULLETIN

Meetings Scheduled For  
June 2016
