

## MISCELLANEOUS

The Village will not collect any hazardous waste such as gasoline, paint thinner, pesticides or oil based paint. Regional household hazardous waste collection days are routinely promoted by the Village. If you are unsure about a material please call the Public Works Department. Accumulation of garbage on the exterior of your property is prohibited.

## SPECIAL SERVICES

Spring Clean Up - The Village provides, at no charge, an annual one day collection of large quantities of household refuse (furniture, appliances etc.) in mid-May.

Fall Leaf Collection - The Village provides vacuum collection of leaves from the parkway for seven weeks beginning in mid-October.

Please watch our web-site or check the Glencoe Memo for specific dates.

Fluorescent light bulbs are considered special waste and must be collected separate from regular waste. Fluorescent bulbs can be dropped off at the Public Works Service Building.

## TO START OR STOP SERVICES

Please call the Glencoe Finance Department at 835-4113 to start garbage and recycling collection services. The Finance Department can also assist you with billing information.

To determine your collection days, for other service related calls or to arrange special garbage pick-ups, please call 835-4134.

## HOLIDAY SCHEDULE

In the event a holiday falls on a Monday, Tuesday, Thursday or Friday your regular garbage and recycling pick-up will resume the following day. The Village observes the following refuse collection holidays.

- New Year's Day
- Martin Luther King Jr.'s Birthday
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving
- Christmas

## CURBSIDE RECYCLING COLLECTION

Recycling pick-up is once a week and coincides with your regular garbage collection day. Recycling is picked up only at the curb in recycling carts provided by the Village. **Carts must be placed close to the street with the handle facing your house.** All recycling must be ready for collection no later than 7:00 am the day of collection. All recyclables listed below may be placed together in the cart provided. There is no need to separate. Items in white/black plastic bags will not be accepted.

## BACKDOOR GARBAGE COLLECTION SERVICE

The Village provides residential garbage collection of regular household waste. It is collected once per week either curbside or at a spot adjacent to your driveway. Twice per week and supplemental collections are also available and explained later in this brochure.

### Regulations for garbage pick-up

Household garbage must be placed in plastic or paper bags and stored in leak-proof metal or plastic containers, no larger than 44 gallons with handles for lifting and tight fitting covers. Loose garbage will not be collected. Broken glass must be wrapped, labeled and placed in a separate container.

A maximum of 4 garbage containers can be placed in one accessible outdoor location within close proximity to your driveway or at the curb.

Village crews are not permitted to enter homes, garages, porches or other private property structures to collect garbage.

Refuse will not be collected if snow and ice are not reasonably cleared from driveways and walks.

All garbage, landscape waste and recycling must be ready for collection no later than 7:00 am the day of collection. Garbage out after 7:00 am runs a risk of not being collected until the next regular pickup day. Refuse and recycling containers should be placed at the curb no sooner than 24 hours prior to collection day, and removed from the curb the same day as emptied.

The Village will not collect building materials such as concrete, dirt, stone, brick, floor tile, roofing, shingles, or lumber. You must contact a private scavenger to dispose of these materials.

If your refuse is loose in the can, or access is blocked by vehicles your route person has been instructed to leave an orange informational notice stating the reason for it not being collected. If your refuse is not out at the time of collection, you may be subject to a \$25.00 pick-up fee if you request us to return for collection.

**GARBAGE, LANDSCAPE WASTE AND RECYCLING  
MUST BE OUT AND READY FOR COLLECTION  
NO LATER THAN 7:00 AM.**

**95 Gallon** – Height: 43.25”;Length: 35.25” Width: 29.75”

\* For current fee schedule for garbage collection options contact Finance Department at 847-835-4113.

## SUPPLEMENTAL HOUSEHOLD GARBAGE PICK-UP

A supplemental pick-up can be scheduled due to an event generating additional regular household garbage. The cost for a supplemental pick-up is \$25.00 and can be scheduled Monday through Friday. Residents are permitted to fill the same number of garbage containers as once a week pick-up. To schedule a supplemental pick up call 847-835-4134.

## SPECIAL PICK-UP

The Refuse Division can provide special pick up service of miscellaneous household items at a minimum cost of \$40.00 for the first cubic yard and \$12.00 for each additional yard. Special refuse is considered anything other than your regular household waste (furniture, appliances, boxes, etc.) but does not include hazardous waste (paint, gas, chemicals, etc.) or building material (wood, lumber, drywall, etc.). All special refuse materials must be brought to the curb. The Village requires a minimum 24 hour notice, Tuesday through Friday. To schedule a pick-up, call 847-835-4134.

## CURBSIDE LANDSCAPE WASTE COLLECTION

Curbside landscape waste season runs from mid-April through mid-December of each year. Landscape waste is defined as leaves, grass cuttings, twigs, small shrubbery clippings, dead plants and flowers. Landscape waste is collected on Wednesdays from the curb and needs to be contained in biodegradable paper bags (not plastic bags) or placed loose in reusable plastic or metal 44 gallon containers. Each bag, container or bundle must display a current yard waste collection sticker (unless you purchased the Yard waste Collection Service Subscription) or items will not be collected. Stickers can be purchased at Village Hall or Grand Foods. Yard waste bags that contain dirt, stone, gravel or trash will not be collected.

The Village will also collect stickered, bundled tree branches and sticks of 4-inch maximum diameter and 4-foot maximum length. The bundles should be bound with biodegradable string or twine, cannot exceed 24 inch maximum diameter, and a proper yard waste collection sticker must be attached to each bundle. Bundles tied with wire will not be accepted.

## ANNUAL YARD WASTE COLLECTION SERVICE SUBSCRIPTION

The Annual Yard Waste Collection Subscription will allow subscribers to place up to four (4) cans, bags, bundles or landscape waste material at the curb each week for the duration of the yard waste season from mid-April through mid-December without the need for yard waste stickers.

The Annual Subscription Fee is \$120, and is non-refundable and will be included on quarterly Village utility bill. To request this service contact the Glencoe Finance Department at 847-835-4113.
